

SUN PEAKS FIRE RESCUE WORK EXPERIENCE PROGRAM

Overview of the Program

Our Work Experience Program has been developed to assist aspiring firefighters gain the training and experience needed to secure a job in a very competitive field. Participants will earn on-the-job experience that recruiters look for when hiring career firefighters.

Program Details

- Six-month program (May – October)
- Commitment of two days “on-call” per week
- Training is provided 3-4 days a week (up to 5 or 6 days for accredited courses)
- Participants will be given duties in keeping with the responsibilities of a rookie firefighter in a career hall
- Participants may take on part time employment while participating in the program, provided it doesn’t interfere with additional training and on-call shifts

Training Provided

- NFPA 1002 – Standard for Fire Apparatus Driver/Operator Professional Qualifications
- Emergency Scene Traffic Control (BCMSA)
- Company Inspections (JIBC)
- Red Cross First Responder III Certification (as needed)
- Live Fire Training
- Wildland Fire Operations and Safety for the Structural Fire Fighter (WSPP-WFF1)
- Interview Coaching
- Weekly fire department training covering all aspects of firefighter development
- FireSmart BC training

SUN PEAKS FIRE RESCUE WORK EXPERIENCE PROGRAM
